CATALOGUE JUNE 2022

“Let us COLOUR your world”

“We now have a collection and lifestyle brand with a 360° approach to design and colour.”

The launch of our “Old Mill” furniture collection was a huge success. Following the lead of our ever expanding Cambridge range these products will be our main focus in 2017.

Our furniture is created to enhance any room with its classic yet old country feel and still offers modern lines and curves. The designs comprise of varies unique occasional pieces.

“Making my first line of furniture has been a passion project; it’s been a real journey to see the pieces come to life over the past 3 years.”
